AiC APP Not Connecting

Due to the AiC APP not being able to update to current smart phone Software, we advise you may try the following.

Please use this APP for the Wi-Fi Camera PDREVCAM.

https://play.google.com/store/search?q=kalay

https://apps.apple.com/au/app/kalay-s/id1204144198

Step 1. Download the APP

Step 2. Open device Wi-Fi settings and connect to the camera. eg: (IPCAMAP_CE9E60)

Step 3. Open APP and click on the + on bottom of screen
Step 4. Click on IPCam

Step 5. Click on Been Connected to the router

Step 6. The UID should be displayed eg:YVBYSPCYX41AEJKZ111A and select it

Step 7. Click on Device Password and type in the password eg:123456

Step 8. You may choose to change the name if you like

Step 9. Click on the Tick in the top right-hand corner

Step 10. Click on the orange cam logo and then click on the Play Symbol

Step 11. Keep the same password or you may choose to change it.
