

NCE Smart TV NETFLIX App Update

**** Resolve the NETFLIX App Update issue**

Instructions

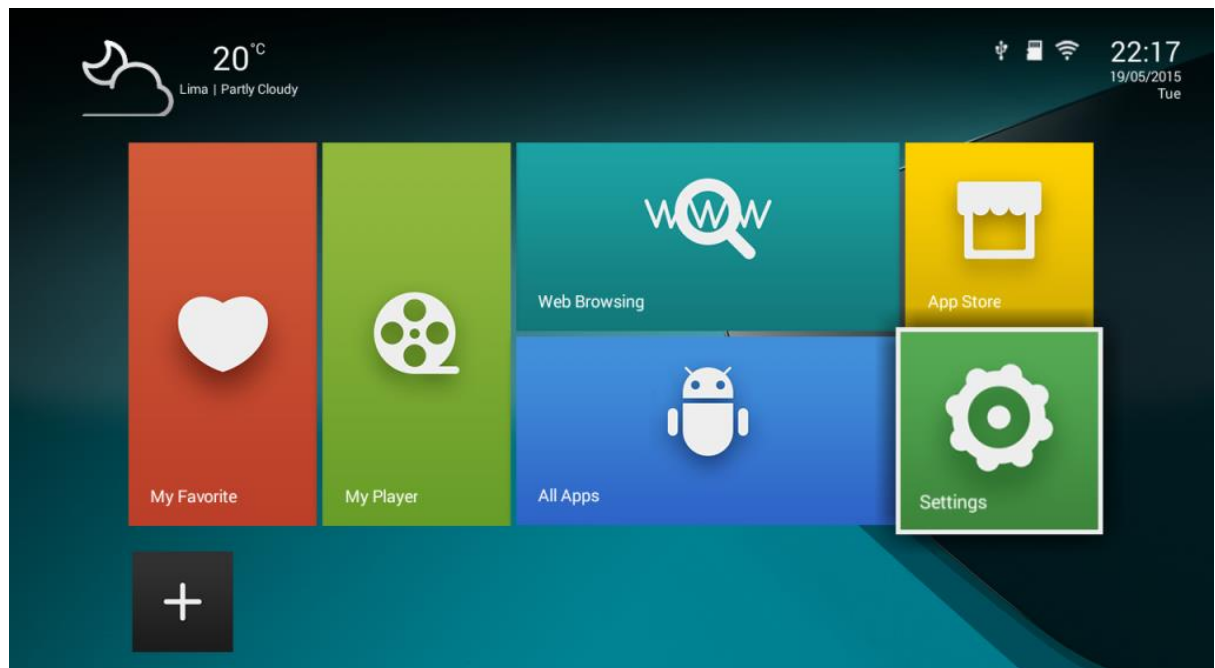

1. Download Software Update Here:

<https://bit.ly/2OhPrqQ>

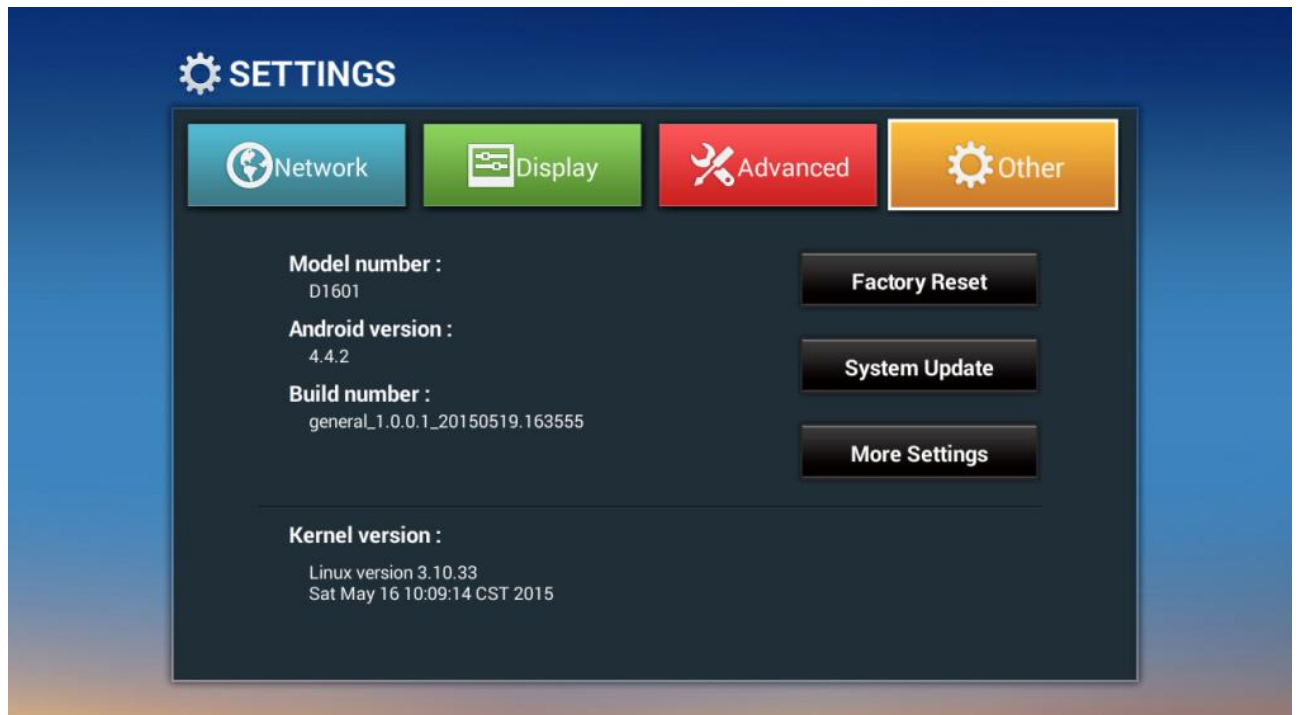

2. Unzip the software package to your USB drive (keep the “update.zip” and remove the others files), and insert the USB drive to your device

	m8_factory_update_param.aml	2015/5/19 10:28	AML 文件	1 KB
	recovery.img	2015/5/19 10:28	IMG 文件	7,710 KB
	u-boot.bin	2015/5/19 10:28	BIN 文件	340 KB
	update.zip	2015/5/19 10:28	WinRAR ZIP 压缩...	195,007 KB
	update_logo.bmp	2015/5/19 10:28	BMP 文件	676 KB

3. Enter Settings

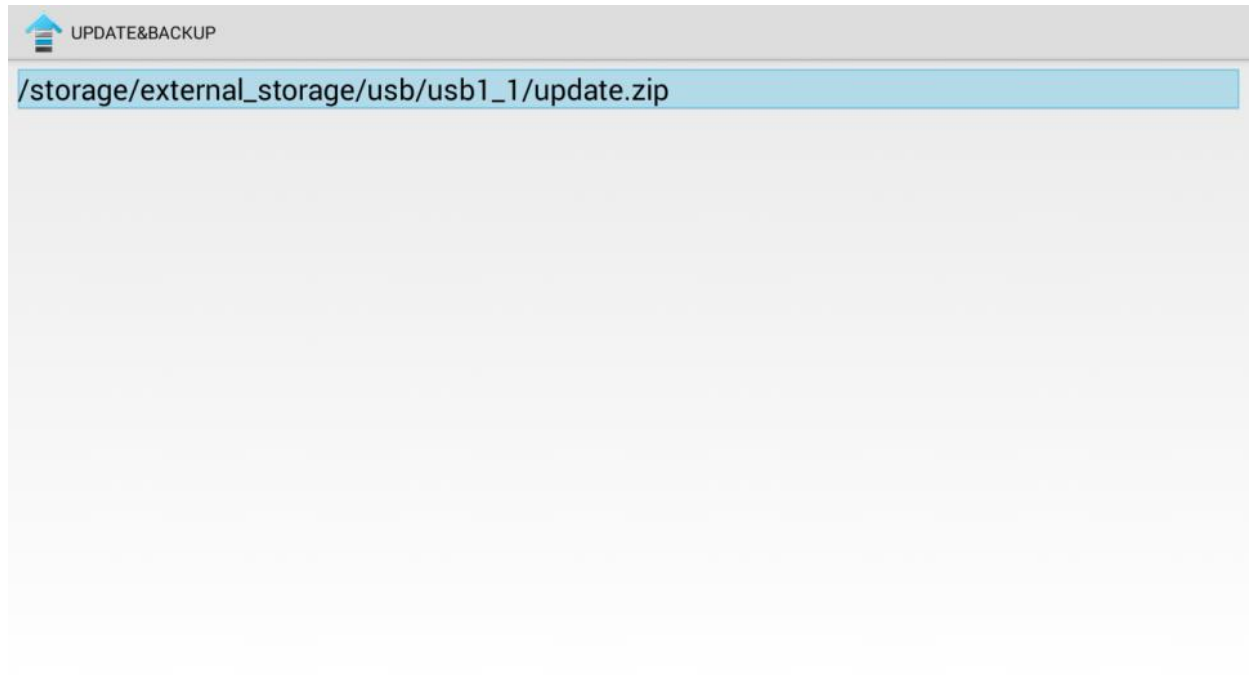

4. Click “System Update”

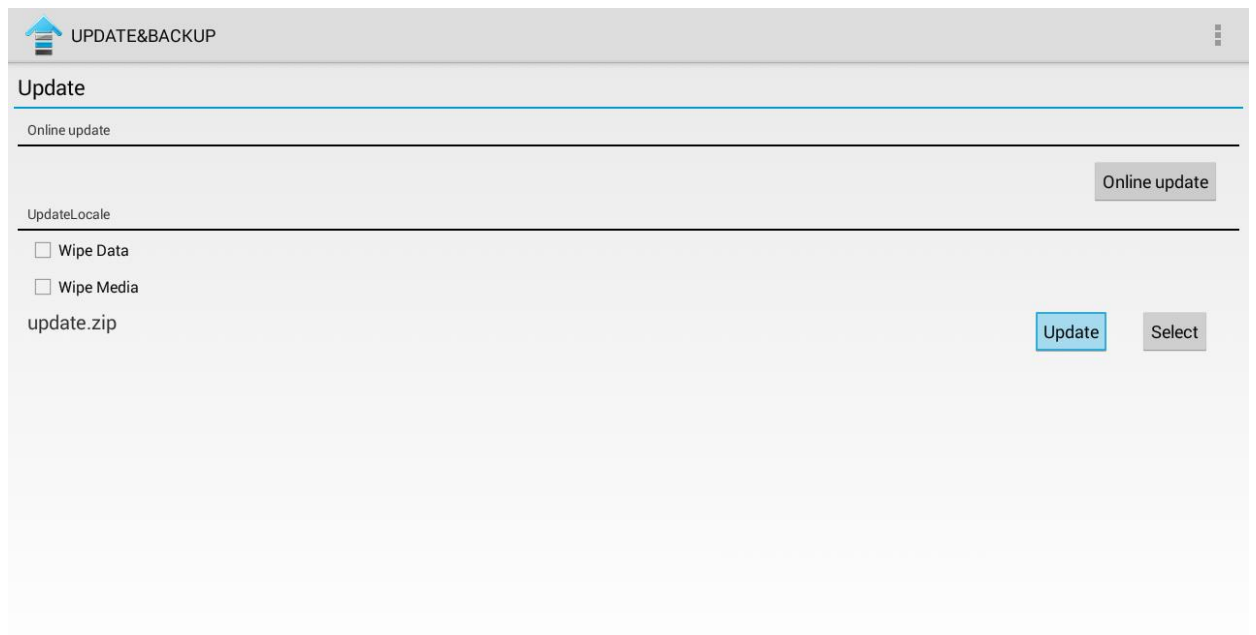

5. Click “Select” button

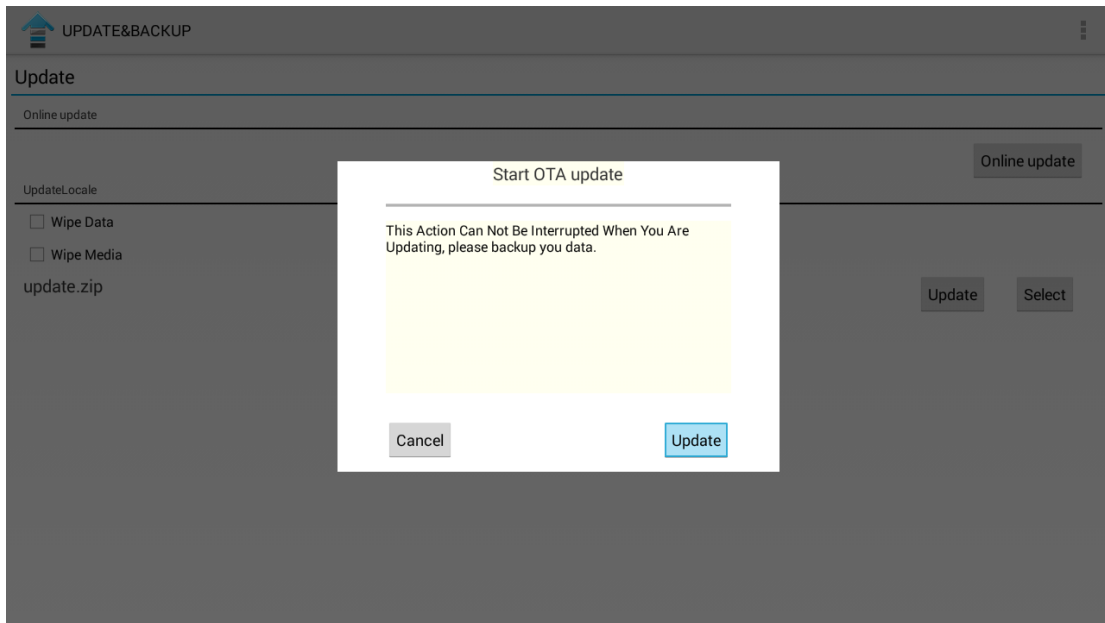

6. Select "update.zip" file in your USB drive

7. Click "Update" button

8. Click “Update”, the dongle will be rebooted and updated automatically

9. When the update is completed conduct a factory reset. Click “Factory Reset”
